Friday 9<sup>th</sup> September 2022

Dear parents/carers,

We are delighted that we are able to offer a wide-range of clubs for children to participate in, free of charge. Our clubs are on offer for children in years 1 – 6.

We ask that each child is only booked onto **one club** so that we allow all children to have an opportunity to join their preferred club. If a child has been booked onto more than one club, then a club will be automatically assigned to them from the options they have given. You will need to book your child onto their preferred club on PAY360 and you will be able to do this from **4pm on Monday day 12<sup>th</sup> September 2022. All club bookings will close at 4pm Thursday 15<sup>th</sup> September 2022.**

**All clubs will start from Monday 19<sup>th</sup> September 2022**

Please find details below of our clubs on offer in the Autumn term:
